80 ANNI

Ottant'anni di luce. Di visione, progetto e cultura del design. Dal 1945 Oluce racconta una storia fatta di oggetti iconici e firme internazionali, in cui la luce non è mai semplice funzione, ma forma, atmosfera, racconto.

Atollo, Coupé, Acrilica, Spider: ogni creazione porta con sé un gesto preciso, un segno che attraversa il tempo con un disegno essenziale, elegante, mai ostentato. Fondendo sapere artigianale e ricerca estetica, Oluce ha costruito la sua identità, in cui materia e tecnologia si incontrano per dare vita a oggetti pensati per accompagnare i momenti della vita, dentro e fuori gli spazi domestici.

Una storia tracciata da maestri del design come Vico Magistretti, Joe Colombo, Tito Agnoli, Marco Zanuso, che oggi si rinnova con le visioni di designer contemporanei e un catalogo in costante evoluzione.

Nel suo 80° anniversario, l'azienda celebra il proprio patrimonio con una collezione manifesto che fonde memoria e innovazione, tra rivisitazioni, nuove proposte indoor e soprattutto outdoor.

Un traguardo che prosegue il racconto dell'azienda, riaffermando con coerenza la visione che da sempre definisce Oluce: progettare la luce per interpretare, con delicata eleganza, la bellezza del vivere.

80' YEARS

Eighty years of light. Of vision, concept and design culture. Since 1945 Oluce has been telling a story of iconic objects and international designers, in which light is never mere function, but form, atmosphere, story. Atollo, Coupé, Acrilica, Spider: each creation carries with it a meticulous gesture, a mark that spans time with an essential, elegant, yet never ostentatious design.

By fusing craftsmanship and aesthetic research, Oluce has built its identity, in which material and technology meet to give life to objects designed to accompany the moments of life, within and without domestic spaces. A history shaped by design masters such as Vico Magistretti, Joe Colombo, Tito Agnoli and Marco Zanuso, which today is renewed with the visions of contemporary designers and a constantly evolving catalogue.

On its 80th anniversary, the company celebrates its heritage with a manifesto collection that blends tradition and innovation, including revisitations, new indoor and especially outdoor proposals.

A milestone that continues the company's story, consistently reaffirming the vision that has always defined Oluce: designing light to interpret, with delicate elegance, the beauty of living.

CONTRACT

Ogni progetto, la sua luce. Un equilibrio capace di entrare in sintonia con lo spazio, di valorizzare architetture, materiali, superfici. Per Oluce, illuminare è un atto progettuale: non semplice funzione, ma forma, racconto, emozione. È un gesto preciso che abita l'ambiente con discrezione, definendo il carattere e costruendone l'identità. Nel mondo del contract – hotellerie, nautica, retail, residenze private – ogni intervento è un dialogo tra estetica e funzione, tra la vocazione del luogo e il linguaggio visivo che lo accompagna. Attraverso il servizio Bespoke Tailoring, Oluce collabora con architetti e interior designer per sviluppare soluzioni su misura: progetti personalizzati, adattamenti di collezione e creazioni completamente inedite, pensate per rispondere a esigenze specifiche. Un approccio sartoriale, capace di rendere ogni contesto unico. Dalle lobby agli spazi lounge, dalle suite agli ambienti più intimi, Oluce si inserisce con naturalezza, arricchendo lo scenario con eleganza misurata e presenza silenziosa. Perché ogni ambiente merita una luce pensata. E ogni luce racconta una visione.

CONTRACT

Each project, its light. An equilibrium capable of entering into harmony with space, of enhancing architecture, materials, surfaces. For Oluce, lighting is a design act: not mere function, but form, narrative, emotion. It is a meticulous gesture that inhabits the environment with discretion, defining its character and building its identity. In the contract world - hotellerie, nautical, retail, private residences - every intervention is a dialogue between aesthetics and function, between the vocation of the place and the visual language that accompanies it. Through the Bespoke Tailoring service, Oluce collaborates with architects and interior designers to develop made-to-measure solutions: customised projects, adaptations of collections and completely new creations designed to meet specific needs. A sartorial approach, capable of making each context unique. From lobbies to lounge spaces, from suites to the most intimate settings, Oluce integrates naturally, enriching the scenario with measured elegance and silent presence. Because every environment deserves a thoughtful light. Every light narrates a vision.
